Giuseppe Tile

To Whom It May Concern;

I would like to highly recommend Giuseppe's work. He just finished putting a patterned tile in my kitchen and did a beautiful job. It looks like a brand new room.

Not only is his tile work excellent, but he was extremely neat and clean about the whole job including the removal of the old floor. There was no mess for me to clean up. He did it all.

I feel he is trustworthy and dependable and would easily use his services in the future, if he can fit me into his very busy schedule.

Thank you,
